## **Easter Garden Information**

To support our children's spiritual development, learning and understanding of our Christian faith, we are asking that over the Easter holidays the children create gardens on the theme of 'Easter'. Please bring your gardens into school on the morning of Tuesday 23<sup>rd</sup> April (the first day back after the holidays) for display in the hall.

Parents are welcome to help their children and indeed, you may want to complete the garden as a family to reflect on the true meaning of Easter. On that morning parents are welcome to look at all the gardens that have been brought in and then join us for our Easter Eucharist at Holy Trinity Church at 10.30am. Gardens should be no bigger than a seed tray and the theme is open to interpretation, the gardens for example could depict the events of Holy Week or celebrate New Life in an abundance of colour.

**We look forward to your creations. There will be a prize per year group and a small treat for everyone who takes part.**

## Packed Lunch Reminders

May I take this opportunity to remind parents of children who have packed lunches:

If you send a yoghurt or dessert which requires a spoon in order to eat it, please send a spoon in your child's lunch box as well. Thank you

Some children on packed lunches are not bringing a drink in either, please ensure your child has a drink with their packed lunch too. Thank you

We are aware a small number of junior children bring a mobile phone into school and leave them in the school office. This is not something we encourage, however understand some parents' need for this. If your child does this, please can you as a parent show your child how to switch off (and on for after school) their phone as this is one of the requirements we stipulate for looking after them during the school day. Other devices, such as iPods, are not allowed in school. Thank you
