## Easter Garden Information

To support our children's spiritual development, learning and understanding of our Christian faith, we are asking that over the Easter holidays the children create gardens on the theme of 'Easter'. Please bring your gardens into school on the morning of Tuesday 23<sup>rd</sup> April (the first day back after the holidays) for display in the hall.

Parents are welcome to help their children and indeed, you may want to complete the garden as a family to reflect on the true meaning of Easter. On that morning parents are welcome to look at all the gardens that have been brought in and then join us for our Easter Eucharist at Holy Trinity Church at 10.30am. Gardens should be no bigger than a seed tray and the theme is open to interpretation, the gardens for example could depict the events of Holy Week or celebrate New Life in an abundance of colour.

**We look forward to your creations.**

**There will be a prize per year group and a small treat for everyone who takes part.**
