## Extended Services: Freckles & Wraparound – Voucher User Reminder

Please can we take this opportunity to remind parents that even though Voucher  
Payments disappear instantly from your voucher accounts they take a little while longer to appear in your  
child's Tucasi Scopay Account. This is because the money is sent to LCC and then it is placed in the  
school's central folder ready for reconciliation at the end of the month in the school's account. This  
process has to happen before they can be credited to your child's Tucasi Scopay Account however  
please do not worry as we are notified by your voucher provider when your initial transaction takes place.
