## Sizzle BBQ Wednesday 20th July.

The PTFA are busy organising the Summer Sizzle 2022. The event will include; BBQ • Licensed Bar • Inflatables • Bottle Pull • Teddy Tombola • Rainbow Tombola & More!

### Non Uniform Day

A non-uniform day will be held on Friday 15th July in exchange for a bottle or £1. These will be used as prizes for the Bottle Pull. For example: cordial, ketchup, bath gel, water, wine, spirits, beer – large or small all appreciated!

### Volunteers Needed

We really need help to organise and run the Summer Sizzle. Could you help set up in the afternoon? Could you help on a stall? Serve or cook on the BBQ? We've got a list of really fun stalls that we would love to run at the Summer Sizzle but we can't if we don't have enough volunteers.

Please contact Abi Stones 07751 244647 if you can help.

### The Rainbow Tombola

New for 2022! Each class has been allocated a colour and we would really appreciate donations of small items (new) in your class colour. These can be brought into school over the next couple of weeks and the last day for donations is Friday 15th July. Items can be anything in that colour! For each item donated children will receive a house point. Time to check the back of the cupboard for anything suitable!

Reception – Red Year 1 – Orange Year 2 – Yellow Year 3 – Green  
Year 4 – Blue Year 5 – Purple Year 6 – Pink

### Teddy Tombola

Ready for a clear out? We are welcoming donations of clean, good condition teddies and soft toys for our Teddy Tombola Stall. These can be brought to school over the next few weeks, last day for donations Friday 15th July.

Thank you for your help and support.  
From your PTFA

Look out for the ZOOM joining details on an email from your child's class teacher:

### Keeping Children Safe Online:

In the real world we protect our children. So why not keep them safe online?

An 'essential' online safety briefing for parents, guardians and carers.

Date: Thursday 7th July 2022

Start time: 5.30pm

Duration: Approximately 1 hr 10 mins with time for questions.

### About the briefing

Many people, including young children are users of the internet.

Having access to online information and the functionality that the internet can offer has many benefits and for most it plays an important part of our everyday lives. However, as technology moves on at such a pace it is difficult to keep up with new trends and developments, particularly with regard to mobile devices/games technology and safe accessibility to online material.

During the COVID19 restrictions with more young people potentially spending more time online, issues relating to the exploitation, manipulation or abuse of young people has added to concerns regarding online safety.

What are our children doing online? Do we know how they are behaving?

Are they safe? Who are they communicating with?

Do they know what to do if they come across something suspicious?

Are they accessing age appropriate content?

Are they giving away too much personal information that may make them vulnerable or affect them in the future?

Are they spending too much time online?

We would ask at least one parent/carer from each family to attend this online session where a Lancashire Education Authority Consultant will present an online Zoom Internet Safety briefing to address some of the issues mentioned above.

The session is for parents/carers only and will last for approximately 1hr with an opportunity for questions during or after the presentation.

The Local Authority and our school have policies in place to ensure children are learning in a safe and secure environment which includes being safe online. Therefore, this session has been organised to help you to contribute to this process in helping children to be aware of the potential problems associated with using the internet and modern technologies.

## The session is not suitable for children

OFSTED regard these sessions as an integral part of a school's Safeguarding/Online Safety policy and they expect schools to have offered this support for parents. Please help us to keep young children safe.

## Maths Enrichment

This week we welcomed Teachers from the Maths Department at Carr Hill High School. They worked across the whole school and today all classes were rewarded with a 'star' for their starry sky because of their beautiful behaviour. The children also impressed the teachers from Carr Hill High School with their mathematical knowledge.

## WORSHIP 4U

Family service, all ages welcome. Every first Sunday of the month. 11.00 to 11.45am

- Everyone welcome whatever your age!
- A different type of service for accompanied children, youth and people of all ages
- Informal worship
- Coffee, tea refreshments

## School Music on Thursdays

Choir: 8am in the school hall with Mrs Threlfall (last session on 14.07.22)

School Band has now finished with Mr Sagar for the school year but parents and carers may want to attend the Year 5 WOPPS Brass Concert on Thursday 7th July at 2.30pm as School Band will be performing for us!

Year 5 Parents & Carers Reminder: **Please continue to pay for your child's Robinwood Trip**
